

Salem Adopt a Tree Program

Salem Parks & Recreation will sponsor the 5th annual family adopt a tree day. This program is set up to allow families or donors to purchase a 15 to 20 foot tall tree that will be planted at one of the ball parks located here in Salem. Cost per tree is \$250 and will include a marker placed at the base of the tree to memorialize the tree donor. This program is a great opportunity to beautify our parks while starting a family tradition.

Trees will be planted the first week of November, with holes being prepared by Salem City parks crews. Trees will be purchased by the City Parks Department and delivered to designated locations. Families will have the option to plant their tree or have the City Parks Crew do it for them. For more information or to order **your family tree**, call Matt Marziale at Salem Parks & Recreation, 423-1035.

Salem Family Tree

Family Name: _____

Name on Tree Plaque: _____ (Print Neatly)

Preference on Park: Loafer View () Down Town Park () No Preference ()

Are you planning to plant your own tree? _____

If yes what day? First week of November _____
