

Seth Sorensen

I have been a very involved member of the Salem Community for many years. I am currently a member of the City Council and on the board of directors for the Chamber of Commerce. I have been the chairman of the Planning Commission, and coached dozens of youth teams.

I am a hands-on leader who is not afraid to jump in and get my hands dirty. I believe in keeping taxes low, as can be illustrated by our drop in the tax rate this budget year, and my sense of financial responsibility.

I believe we need strong stakeholder input in the decisions we make for our community. We need the right people in the right places and we should work together as a team.
