CONSTRUCTION NOTICE

The Utah Department of Transportation (UDOT) is improving S.R. 198 from Arrowhead Trail Road to Woodland Hills Drive in Spanish Fork and Salem. This project will reduce congestion, address future travel demand and enhance safety and trail connectivity. See opposite side for a list of improvements.

Construction will begin May 20 and will last through fall 2019. Crews are scheduled to work five days a week and Saturdays as needed. Drivers should use caution and adhere to the posted speed limit when driving through the area.

WHAT TO EXPECT DURING CONSTRUCTION

• Daytime work activities
• Noise, dust and vibrations
• Shifted and narrowed travel lanes
• Potential travel delays
• Trucks and equipment entering/exiting the work zone
• One-way flagging as needed
IMPROVEMENTS

• Additional travel lane in each direction
• New multi-use trail
• Drainage upgrades
• Signal upgrade at Woodland Hills Drive
