Last week, commissioners approved an allotment of $30,000 to pay SCKEDD to provide grant administration services for the funds received through the American Rescue Plan Act. Commissioners approached the subject once again with Ballard expressing opposition to paying $30,000 to SCKEDD for those services stating, “To me, I think that’s money spent poorly.” County Counselor Paul Dean noted that he believes Greenwood County only had two remaining reports to file. Commissioner Fox stated that he did not have time to take on the reports that SCKEDD had previously provided assistance with. Fox asked County Clerk Kathy Robison if her office would take on the job; Robison is slated to look into the matter. Commissioners made the decision to revisit the matter at a later date.

County Clerk Kathy Robison approached the commission with questions regarding County Handbook policies. The handbook currently states that an employee can spend $20 per meal, not to exceed $50 per day. Robison asked the policy be changed to read $50 per day and anything exceeding that amount will be left to the discretion of the Department heads. Fox moved to make said revisions in the County handbook. Morgan seconded. Motion carried 5-0.

Hodge moved to adjourn at 10:34 a.m. Ballard seconded. Motion carried 5-0.
