

Designer EPIC 3 Workshop – Marrakesh Thread Velvet Pillow

Tuesday, October 13th, 2026, from 10:00 a.m. – 3:00 p.m. with ½ lunch break

Note: Fabrics in kit may differ slightly from the original picture of the project from Karen Charles.

This faux Cathedral Window pillow is amazingly quick and easy to make with lots of time for creativity! Explore the new Husqvarna Viking decorative stitches, and techniques in sewing and embroidery as you explore all your Designer EPIC 3 has to offer. Whether you haven't had a chance to use your machine much or have had lots of machine time, there is something new for everyone to learn! This project was created by SVP Educator Karen Charles.
