

AAA: Sewing Made Simple Series (SMS) Drawstring Bag - Supply Sheet

In this class, students will learn essential sewing skills by making a simple drawstring bag. The project covers measuring and cutting fabric, sewing straight seams, creating a casing for the drawstring, and safely using a sewing machine. Students will practice basic construction techniques while developing accuracy and confidence. By the end of the class, each student will complete a functional drawstring bag that can be used for storage, school supplies, or gifts, and will have skills they can apply to future sewing projects.

Instructor: Louise Sakihama

Class Policy:

*You must call the store ONE WEEK prior to class to cancel or change class dates.

*Please come to class at least 15 minutes early - this will allow time for you to set up and be ready so that the class can start on time. If you come in 15 minutes after the class has already started, we will not be able to let you in as it is not fair to the other students and teacher.

*For a full refund or store credit, you must call the store at least ONE WEEK prior to class. NO EXCEPTIONS.

**Students receive 15% discount on the day of class for supplies
All the supplies listed are available at AAA Sewing and Fabric.
We thank you for your support.**
