

Sewing Made Simple Series (SMS) Pillowcase - Supply Sheet

This class introduces students to the fundamentals of sewing by creating a simple, functional pillowcase. The project focuses on basic sewing machine operation, fabric handling, and construction accuracy while building confidence with essential techniques. By the end of the class, students will complete a standard-size pillowcase and gain skills that can be applied to future sewing projects.

Instructor: Louise Sakihama – louise.sakihama@gmail.com
