

Regular Meeting Minutes
Saguache Historic Preservation Commission
February 24, 2014, 5:30 p.m.

Present: Chair Leslie Griffith, secretary Kate Vasha, member Marge Hoglin.

The members present waited until 6 p.m. to start the meeting, hoping that the required quorum of four members could be met. Unfortunately, no other members appeared by that time.

Therefore, the posted agenda (attached) was not followed. Instead, the three members present discussed the final draft of the National Historic District application. None of the members present had any additional comments or changes to be passed along to Tom and Laurie Simmons.

Kate Vasha announced that she would try again to pull a meeting together in early April. The group then adjourned.
