# COVERSTITCH

---

1 Session

Intermediate

---

Do you have a serger that converts to a coverstitch? Or maybe you have a dedicated coverstitch machine. If you haven't jumped into the world of coverstitch, join us to learn the basics and beyond.

The class begins with a brief lesson on the difference between a serger and a coverstitch. Then you'll thread your machine and practice a basic chain stitch and coverstitch. The rest of the day covers a variety of hem and neckline techniques and even how to insert a zipper!

You'll be amazed at what these fantastic machines can do!

## MACHINE:

- Serger
- Manual
- Accessories
- Optional (if you have them):
  - Clear foot
  - Fabric Guide
  - Belt Loop Binder
  - Downturn Feller

## SUPPLIES:

- Thread: red, green, blue, and yellow - 1 of each
- Clear gridded ruler - 6" or longer
- Double-sided cellophane tape
- Fabric marker(s)
- Fray Check or other seam sealant
- Sewing Kit
- Optional (if you have them):
  - Floriani Wonder Tape Fusible Web
  - RK Stitch Perfection Tape
  - Decorative threads
- Fabric: Although a pre-cut fabric kit is provided, you may want to bring some additional fabric scraps for practice.

**NOTE:** Make sure you bring all your serger accessories & manuals!
