**Stabilizer:** no show mesh

**Threads:** water soluble thread, monofilament thread and bobbin, embroidery threads and bobbins to match fabrics, embroidery thread for pocket designs

Marking pen (I use frixon)

USB stick

Kimberbell paper type tape

Machine needles: 90/14

Scissors: appliques and fabric

Rotary cutter

Hoops: 8x8 and largest hoop you have for your machine

Pins

Wonder clips

80 inches of 1-inch webbing (for handles)

Hoopsisters 2.0 trimmer

22-inch nylon zipper

1yd Package Soft and Stable (will be used in place of hoop shape in instructions)

### **FABRICS:**

**Bag:** 1 1/4 yd front fabric, 1/2 yd pocket fabric (or 1/4 yard pocket fabric plus 1/4 yard lining fabric), 1 3/4 yards backing fabric, scrap for suitcase appliqué (4 3/4" by 3 1/4")

**Slippers:** 11 to 12 fat quarters for front and back, 1/2 yard for bias binding or 100 inches of premade binding (when unfolded should be 2 to 2 1/2 inches wide)

**\*Travel tag:** 6" by 7 1/2" fabric for tag front, 6" by 7 1/2" fabric for tag lining, 4 3/4" iron on velcro.

NOTES: Please have fabric and soft and stable precut for the bag and slippers (note sizing in instructions) per the instructions. For the sashing, you will need 8 strips of 1 1/2-inches by WOF (width of fabric), out of backing fabric plus 2 more strips for handles (backing fabric or other fabric). If using different fabric on the top and bottom of the slipper soles, please have scraps to make sashing matching slipper sole bottom.
