

Noble Spools Supply List

Learn to make Noble Spools from pattern designer, Karen Walker. This 4 hour class will take you through proper cutting, piecing, pressing, trimming and more!

Come join the fun and take home part of our Pacific NW with this beautiful tree quilt!

There are 2 quilt samples hanging in the store...totally different! Stop in and see them!

Tools needed for each class:

Rotary cutter and acrylic ruler for cutting

6" or 6-1/2" square ruler with 45 degree angle or bloc loc

seam ripper

small scissors

mechanical pencil

sewing machine in **good working condition**

new needle

straight pins

1/4" presser foot

spray starch

Any other basic quilting tool you would like to bring.

Sew Straight by Quilt in a Day (optional)

Strong beginner can take this class...

Strong beginner to me is:

Competent understanding of one's sewing machine

how to sew 1/4" seam

how to safely use a rotary cutter

knows basic quilting terms and understands them
