

## T Shirt Quilt Information

We can make you a Memory Quilt from you T Shirts. All quilts will be professionally quilted on our long arm machine and bound.

Select the T-shirts (front, back, or both) you want to use for your quilt.

Then ship them to us. We will call you when they arrive.

Many people enjoy getting close to their T-shirts – and holding those memories – one last time before sending. If this sounds like you, preparing your shirts is easy. Simply cut your shirt up the side seams so that you have two pieces: a front and a back. You'll send us the side of each T-shirt you want included in your quilt.

If you'd rather trust us to make the necessary cuts, we're happy to help for a small additional fee. Either way, you can trust that we understand they're more than T-shirts. They're some of your most cherished memories, and we'll treat them that way.
