

## Cassie's Cutie Bag

### Supply List

Instructor: Sarah Klever

Contact Information: (907)317-6549 or [sgklever@gmail.com](mailto:sgklever@gmail.com)

This fun and quick cross-body purse is one you will love making. You will learn to make 2 outside front pockets including one with an easy to install zipper! Also get instruction for a welted pocket to fit your cell phone. Made with only 3 fat quarters, you will be designing your next bag before you finish your first!!

#### Supplies:

Pattern: Cassie's Cutie by: Marlous Designs (required for class)

The pattern comes with swivel clips and slides

- Fabric: 3 fat quarters (non-directional works best)
- Fusible Fleece: ¼ yard
- Shape Flex (light weight woven fusible interfacing) 1 1/8 yard
- Magnets – option for top closure. I like the sew-in kind.
- Zipper: 1 – 14" nylon zipper (I'll have a supply of zippers to buy)
- 1" Swivel clasps and slide (included with pattern)
- Sewing Machine in good working order including instruction manual and accessory box with a zipper foot.
- Thread for piecing and topstitching
- Sewing Kit to include: seam ripper, scissors, pins or wonder clips, small mat and ruler, rotary cutter, marking pencil or chalk.

***Before class: have all fabric and interfacing cut and fused.***

I will have patterns, zippers, magnets and extra swivel clasps and slides available for purchase.
