3 New Machines from Husqvarna Viking!

Sew a New Story

with the delightfully intuitive, uniquely capable DESIGNER BRILLIANCE™ 80 sewing and embroidery machine. Especially designed for the imaginative sewer with big and bright ideas.

The JoyOS ADVISOR™ features provide interactive tutorials and animations offering expert advice on how to achieve stunning results every time using a variety of sewing techniques. The DESIGNER BRILLIANCE™ 80 is able to instantly set the best stitch, stitch width, stitch length, thread tension/portioning and presser foot pressure for the technique you've chosen.

This new machine features a JoyOS ADVISOR™ with Exclusive SEWING ADVISOR® and has many features included in the Designer Epic. The mySewnet™ cloud allows for wireless transfer of your designs. There is a 7" full-color capacitive touch display with high resolution . The LED illuminated workspace is 10" from the needle to the tower. With Interactive tutorials, Quick help, and a Complete User's Guide with a search function, all of your questions can be answered with the touch of a button! And there are Automatic updates for your machine, as well as projects to download!

Introducing the New Platinum MN 10

The new Platinum MN 10 adds a multi-needle to the outstanding line of Husqvarna Viking embroidery machines! Embroider intricate designs in a fraction of the time. This machine features a large 7" LCD true color touch screen that has a truly intuitive interface. Multi-angle, rotatable, and adjustable control panel bracket allows for better visibility.

The 220° wide angle cap system allows users to embroider around any cap with ease. Plus, your PLATINUM™ MN|1000 multi-needle embroidery machine will automatically flip your design 180° whenever the cap driver is attached.

A large embroidery area allows you to do embroidery designs up to 310x210mm (12"x8") in one hoop. The PLATINUM™ MN|1000 machine automatically moves to a different needle with every color change indicated in the design. 4 hoops

Special points of Interest:

- **We do repairs on all brands of sewing machines. Our repairman picks up the machines from each store on certain days. Check with your store for pickup days and the price of the cleaning and service.**

ANITA'S UNIVERSITY

NEXT LEVEL EMBROIDERY 301

Next Level Embroidery 301!

Whether you have attended our prior 101 or 201 classes from Anita's University, or if this is your first time joining us, you'll be amazed at the new things that you will learn! During the 301 class we are going to explore many different embroidery techniques — such as **heirloom stitching**, **free standing lace**, and **coloring your embroidery project**. We'll take a closer look at unique appliqué methods such as **watercolor appliqué**, **reverse appliqué**, **ghost stitch appliqué** and so many more. Thinking outside the hoop, we'll visit dimensional designs through **button-up embroidery** and our **reverse trapunto** method. This is only the beginning of the education you'll receive, and we can't even describe how much fun you'll have!

Let's get to Class!

We all love embroidery and the creativity it can inspire - come be inspired during the 301 class! You'll explore many different embroidery techniques such as how we get the timeless look of heirloom stitching with the convenience of modern machines. Free Standing lace and fabric coloring are just a few other subjects we'll explore during the Next Level Embroidery: 301 class. Ever wondered about doing different appliqué methods? You'll learn how we do reverse appliqué & ghost stitching, reverse trapunto, dimensional embroidery, and sew much more! Just for attending, you'll receive a 3-ring binder with over 150 pages of full color tutorials and over 130 designs on a USB stick.

This exciting class will be December 7 and 8, Friday and Saturday, at the Knights of Columbus Hall in St. Charles, MO. The cost of the class is $89.95, lunch is included as are all of your kits! Sign up early—Space is limited!

Next Level 301

December 7 & 8, 2018
Friday and Saturday
9:30 am to 4 pm
Knights of Columbus Hall
20 Westbury Dr
St. Charles, MO 63301

are included with the machine:

- 70x50mm (2.8"x2")
- 110x110mm (4.3"x4.3")
- 190x140mm (7.5"x5.5"
- 310x210mm (12.2"x8.2")

Automatic thread break detection Your PLATINUM™ MN|1000 will stop and alert you automatically when the thread from any needle breaks. The Automatic Thread trim will automatically cut threads for any jump stitch trim or color change command. Trim any thread at any time with the easy access Thread Trim Button.
The Platinum MN|1000 reads VP3 – the same embroidery designs as your other HUSQVARNA VIKING® sewing and embroidery machines. The machine will also read DST designs. You also get a free Premier+ 2 Intro software program. Rotate, mirror image, and resize your embroidery designs. Add multi-line lettering using one of the 13 included fonts or create your own fonts using most TrueType® or OpenType® fonts. You also receive 200 embroidery designs and Super Designs, 18 decorative frames & corner options. The program can automatically color sort and combine your designs.

The Platinum MN|1000 has Smart Save! Never miss a stitch. If your machine stops suddenly or if you need to stop your embroidery for whatever reason, the Smart Save feature will remember the last stitch sewn. This way you can start on that exact stitch when you turn on your machine again. A life Saver!
