## Model 1409

Feature	Benefit
On Board Storage	Storage of accessories in the removable sewing bed means accessories are always handy
Free Arm	Provides professional results by offering easy access to cuffs, collars, pant hems and other difficult-to-reach areas.
Extra-High Presser Foot Lifter	Offers more clearance for multiple layers of bulky fabric under the presser foot
Automatic Presser Foot Pressure Control	Sew from lightweight to heavy fabric without making presser foot pressure adjustments
5mm Stitch Width	Decorative and satin stitches can be set to 5mm wide—making are bolder and more pronounced look
Two Needle Positions	Needle position can be changed for individual projects, such as inserting zippers or cording and topstitching
Twin Needle Capability	When using a twin needle (optional), parallel rows of straight stitching can be sewn for hemming or to add a decorative touch.
Thread Cutter	Located for precise thread cutting, eliminating the extra step of cutting thread tails with scissors.
Sewing Speed	With a maximum sewing speed of 750 stitches-per-minute, projects can be sewn quickly.
