Venture 2[™]

Embroidery Machine

Ten Efficient Needles

With ten needles, you'll love how quickly you can embroider large, multi-colored designs; and you can finish projects without excessive thread changes between jobs.

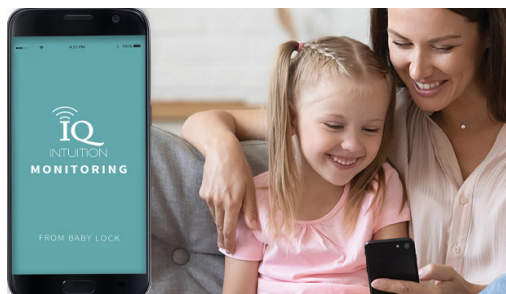

7-7/8" x 14" Embroidery Field

The Venture 2 gives you 7-7/8" x 14" (200mm x 300mm) of generous space for your embroidering needs.

Camera Positioning

The NeedleCam[™] Digital Camera scans your fabric and lets you see your entire design exactly as it will stitch on your fabric ensuring easy placement every time.

IQ Intuition Monitoring[®] App

Keep track of your project's progress with this convenient feature that alerts your phone when the bobbin needs to be changed, if a thread breaks, if a thread needs to be changed, and when stitching is done.

IQ Designer

Create your own designs with ease! You can draw on the screen, scan your favorite artwork, upload an existing file using a USB drive, or wirelessly send artwork to your machine. Your art will instantly convert for embroidery!

Matrix Copy

Create multiple copies of the same design for one-of-a-kind patterns and increased efficiency.
