SWISS DESIGN

For beautiful overlock- & coverstitches

The b68 Maker seamlessly combines the best of both worlds, functioning as both an overlocker and a coverstitch machine. With its extensive range of accessories, it is perfect for all makers.

The b68 Maker offers an extensive selection of overlock- and coverstitches – ideal for working with stretch fabrics as well as for sewing and embellishing woven fabrics. You can sew jersey shirts or hoodies with professional-looking hems in no time. The numerous decorative stitches provide countless ways to add a personal touch to any project.

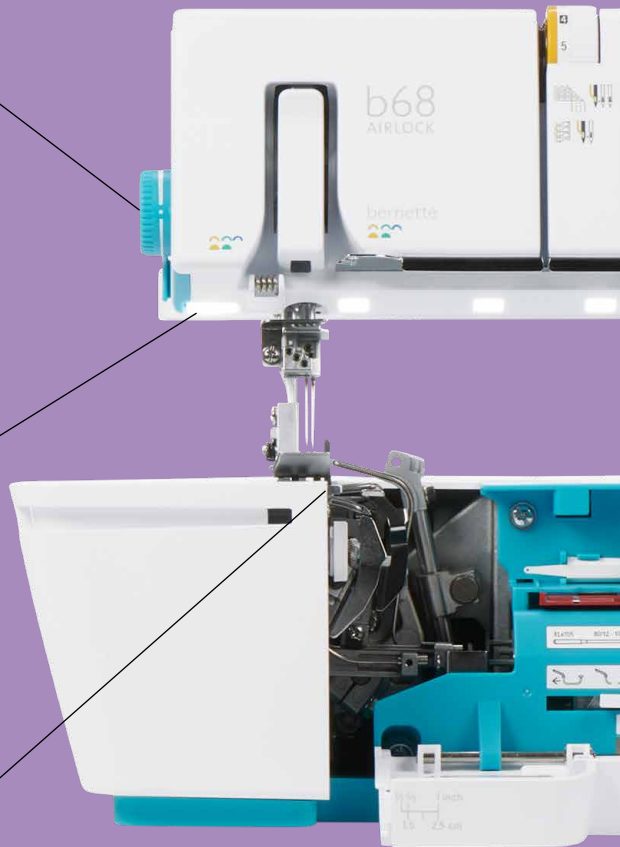

The package includes an exclusive accessory set, featuring selected presser feet to help with the more challenging parts of your projects. The new fabric guides for overlock and coverstitch ensure you stay on track. Additionally, a mini vacuum cleaner is included to help you prepare your b68 Maker for the next round of use.
