## **Handi-Quilter – Sweet Sixteen**

If you love to free-motion machine quilt but struggle to fit your project in the small throat space of a domestic sewing machine, you'll love the HQ Sweet Sixteen®. Sixteen inches of throat space gives you room to quilt even a king-size quilt. The smooth surface of the included table enables your project to glide under the needle. Choose your three favorite speed settings, on the easy-to-use color touch screen and let the machine remember them.

### **Quilt Projects of All Sizes While Seated**

Full 16 inches of throat space

Provides more than three times the quilting space of domestic sewing machines

More than 8 inches vertical space

Speeds up to 1500 precision stitches-per-minute

High-speed rotary hook with large capacity M-class bobbin

Smooth 30" x 36" table surface assures even quilting

Additional 18" table extension available for both sides of the table

Hopping foot prevents fabric movement during a full-stitch cycle

Works with HQ rulers for perfect stitch-in-the-ditch and curved quilting line
