Preparing your Quilt for our HQ18 Avanté® Rental Day

•The quilt should be brought to the rental in three pieces . Quilt Top , Backing and Batting.

•Backing should be at least two inches bigger on all 4 sides.

•The batting should not be bigger then the backing.

•Ironing the top and the back before long-arming ensures a smoother finish with seams flat

•The Avanti Lesson happens on the same day as your first rental.

We recommend you bring three complete quilts for that day depending on the stitch density and the new skill you develop you may finish them all!
