

Sewing Directions:

- 1) Divide the strips and lay out by color depth. *These units do not have to be identical, as long as there is gradual gradation from light to dark and dark to light.*
- 2) Sew the 2½” strips together in sets of four. Sew the lightest four together, then the darkest four together as shown. Sub cut these strip sets into 6¾” lengths. Each unit should measure 6¾” x 8½”. See diagram. -For the Lap, size you will need 22 units of the dark strips and 20 units of the light strips.
-For the Queen size, you will need 56 units of the dark strips and 54 units of the light strips.

Note: Wording added May 31-16 is in italics.
