Sew 10 snowball blocks together with the 1¼" x 4¾" 'B' pieces between as shown below. These are the side border pieces. Add a 4¾" Fabric 'B' square to each end of the row. Make 2. Trim to 51½" long. Sew to the sides of the quilt center. The image of the quilt on the front cover is a computer generated quilt (the actual fabric was not available at time of printing). The side "pucks" are closer to the top and bottom than what is shown in the image. The extra Fabric 'B' background is there to allow for differences in actual seam allowances because there are so many seams in the border, some quilters may need this extra fabric to trim the borders to the correct length.

Sew the 1¼" x 4¾" 'B' pieces between 6 snowball blocks. Sew a 4¾" x 9" 'B' rectangle to each end of the row. Make 2. Trim to 43" long. Sew to the top and bottom of the quilt center.

There are 3 corrections made to the pattern – all are in red above.
