Correction in **bright red type**

Fabric 'H':

If using a wide border print and mitering corners: Cut 4 identical strips $6\frac{3}{4}$ " x 67" along the *length of fabric*. Look at the print of the fabric, the width can be altered according to the print. If cutting wider, adjust the lof strip accordingly.

If NOT using a wide border print: Cut 7 strips $6\frac{3}{4}$ " x wof. Sew together into one long strip using diagonal seams. Cut 2 strips $6\frac{3}{4}$ " x **52 ½"** (outer side borders) and 2 strips $6\frac{3}{4}$ " x 61" (outer top and bottom borders).
