MB-4S

We've taken everything you love about Janome embroidery and quadrupled the capacity! With our four needle machine, you can set up your embroidery and move on to other projects while the MB-4S gets it done. The MB-4S is built to work with most embroidery formats, including those used by industry professionals. It is compatible with six industry-standard Tajima hoops, as well as the four available Janome hoops to further expand your creative opportunities.

SALE $5,499

MSRP: **$7,999**

MB-7

The MB-7 is the perfect tool to help you conquer your next embroidery project. This innovative machine is built to work with embroidery formats used by industry professionals such as .jef+, .jef and .dst. With 50 built-in embroidery designs and 10 fonts for monogramming, a USB port to easily import designs, and a maximum speed of 800 SPM, the possibilities are endless. All embroidery operations are noticeably faster and smoother on the MB-7. You will be impressed with your project's professional-finished results.
