

Nova's Featherweight 221 Online Maintenance Workshop Supply List

This is a maintenance workshop for functioning sewing machines, not a repair workshop for machines that are not functioning. If your machine is not sewing well, you will need to visit with Nova about scheduling repair for your machine.

Take the time to gather (order) **ALL** your materials *before* you begin the workshop. **You will have 72 hours after you begin the workshop to complete it.**

✓	Item	Available for purchase from Nova through her online SHOP?	Comments novamontgomery.com
	Singer Featherweight 221 (or 222K) with foot controller	Occasionally, but you need to have your own in place for the workshop.	If you own multiple machines, select a black or tan one for the class (white machine is fine if that is the only one you own). Please note that this workshop is not intended for the modern, plastic, Singer Featherweight II.
	Nova's Featherweight Maintenance Starter Kit	Yes	This is a necessity . Kit includes Nova's Featherweight Maintenance Card which is a synopsis of the class, Nova's Featherweight Troubleshooting Card, Nova's Motor Lubricant, drip pan pad, large & small syringes for dispensing kerosene & oil, gear cleaning brush, & bumper dot
	Nova's Motor Lubricant	Yes	NO substitutes – no need to order additional if ordering Nova's Featherweight Maintenance Starter Kit
	New Needles	Yes	Size 12 or 14, Schmetz preferred, bring what you normally use for piecing
	Cotton thread	Yes	2 colors preferable (same brand / weight); one for top, one for bobbin
	Empty bobbin	Yes	
	Screwdrivers	Yes	Nova highly recommends the ergonomic screwdrivers and the offset screwdriver available through the online SHOP.
	Hemostat or Tweezers	Yes	Hemostat available for purchase
	Scraps of fabric	No	To sew out machine
	Thread snips or scissors	Yes	
	Cotton swabs	No	
	Paper towels	No	
	Rubbermaid square food storage container – 2.9 cup w lid	No	
	Old, soft bath towel	No	
	Tabletop light	No	Like an Ott lite – this is highly recommended
	Small, powerful flashlight	Yes	LED Worklight – this is very handy for seeing interior areas
	Apron to protect clothing	Yes	
	Safety glasses	No	Recommended as a precaution
	Sewing machine oil	No – It is against USPS Regulations to ship a liquid.	Any high quality sewing machine oil (Bernina, Singer, Dritz, Lilly White, etc.)
	Kerosene (K-1 Kerosene)	No	Available at hardware stores or in the camping section at a sporting goods store. A quart is plenty for your needs.
