

Advanced Precise Placement

Supplies and Prior to Class

Prior to class:

1. Pick up your kit from Gromes Sewing Machine Company.
2. Fuse all the flower, bird, and leaf fabrics to Steam A Seam #2.
3. Roughly cut out shapes you like using the picture below as a guide. DO NOT REMOVE THE PAPER FROM THE BACK OF THE SHAPES.
4. Put all the shapes into a bag and bring to class
5. Cut the background as stated below and draw a 7" x 10" rectangle on it with a fabric marker.
6. Cut the borders and square as outlined below
7. Bring a lunch---we may work as we create -----it's hard to stop.
