Bev Remillard

Welcome to my ongoing class
called *Dresden Dreams*.

Whether you are an unsure quilter **or** an adventurous quilter,
this class is for you.

I have admired Dresden blocks for years and once I started making them, I fell in love. I have prepared these blocks with ease and variety to make them so exciting—no more fear, this is just plain fun!

The quilt boasts a varied selection of *Dresden blocks* with my original designs using simple techniques and notions.

We will also discover plenty of tips with colorful lessons, block options and appliqué techniques by hand and machine.

I will also share layout options for your finished quilt and appliqué pizzazz for the border.

This quilt can also be prepared in queen-size.

Its time to get started with your favorite fabric collection as class starts soon!

**Color and Border Appliqué option,
demonstrated during class.**

Registration and class information is all done online, Full tutorials with lots of color pictures to help you along.

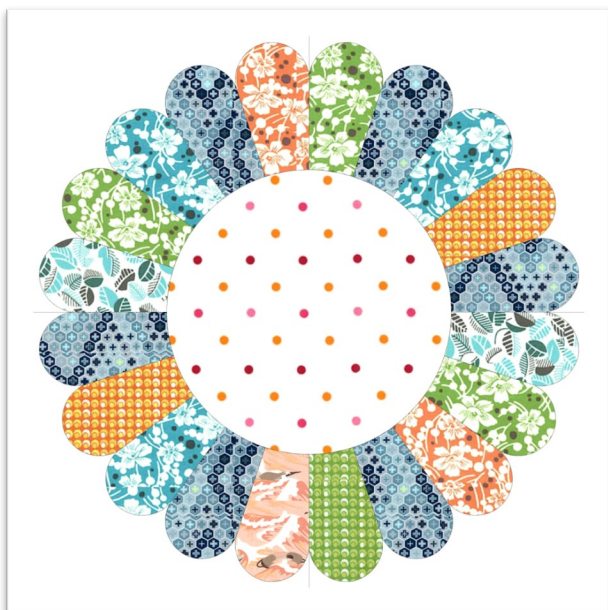

I hope you will join us for this fun class and make yourself a beautiful quilt one lesson at a time.

Looking forward to quilting with you!
