Consider quote to repair or replace awning at swimming pool.

Nations commented that the options presented by two Councilmen weren't roof top mounted awnings and would have to be mounted on the fascia board on the roof. He commented that this presented a problem because the awnings wouldn't be high enough to prevent patrons from hanging on them. He commented that the Council could consider the other two options of replacing the existing canvass for \$3154, cautioning that the existing mechanism was 17 years old. Or replace the awning with a permanent structure for \$4936.

Arp moved to accept J C Seamless guttering's proposal to build a permanent 33' x 8' awning for \$4936. Seconded by Burch. Motion carried.

Ken Carroll, VFW, Request for Sale of Fireworks Permit in the City Park and Donation towards Fireworks Night Display.

Arp moved to approve the VFW's request for Sale of Fireworks Permit in the City Park and waive subsequent fee and to allow the discharge of fireworks in the City Parks July 1-4. And to approve a \$750 donation to the VFW for their Fireworks Night Display. Seconded by Reid. Motion carried.

Discussion of drafting an Ordinance lowering the Speed limit on Riley Avenue from 30 mph to 20 mph.

Attorney Irvine commented that since Riley Ave is a business district, the city could lower the speed limit to 20mph without doing an Engineering Study. He also commented should the City decide later to raise the speed limit, then it would require an Engineering Study.

Council discussed contacting Fort Riley as well as KDOT to see if they would have any concerns or issues should the City decide to lower the speed limit to 20mph.

Attorney Irvine commented that an ordinance would need to be adopted should the Governing Body decide to change the speed limit.

Attorney Irvine commented that he would draft an ordinance to be considered at the next meeting.

Discussion of drafting an Ordinance prohibiting loitering and panhandling in certain locations within Ogden.

Attorney Irvine commented that there are significant issues with drafting a panhandling ordinance. He commented that he checked with the City of Manhattan and they didn't have a panhandling ordinance.

Consensus of the council was not to pursue an ordinance at this time and to enforce current regulations to deal with the problems.

City Foreman: Misc. items.

Nations commented that he had nothing for the Council at this time.

City Clerk; Misc. items.

Clerk requested a Budget Work Session on Tuesday, July 11th at City Hall.
