

Supply List for Hooping & Stabilizing Pt 2

This is a lecture/demo class, so it is not necessary to bring your machine.

I will be demoing several techniques and will have handouts and designs to give you.

Please bring a USB flash drive if you would like to have the designs.

- Please bring any stabilizer or project that you have questions about.
- If you have an embroidery project that did not turn out as expected and would like to discuss what went wrong, please bring it.

- If you have any of the following products and would like to discuss the specific brand/type that you have, please bring:
 - 3D foam (Puffy Foam)
 - Water soluble stabilizer (ie, Wet n Gone, not water-soluble topping)
 - Color keep topping (brand names like Hide it, Mask it, etc)
 - Any stabilizer that is removed with heat (ie, Heat n Gone, Heat Away)
