EMBROIDERY CLASSES

SCAN N CUT & MORE: EMBROIDERED CORK APPLIQUE PILLOW TOP A two-session class using the Brother Scan n Cut, your embroidery machine and a magnetic embroidery hoop. During the first session, you'll have the opportunity to use your Brother Scan n Cut to cut leaves from cork fabric. No extensive experience with the Scan n Cut is necessary. We'll also use the first class to prepare your fabric for the applique embroidery. On the second day, you will use your embroidery machine with a magnetic hoop to appliqué the cork leaves creating a pillow top, wall hanging or framed art.

A large (12" high) magnetic hoop is recommended for the embroidery to avoid bending the previously appliquéd cork leaves when the base fabric is repositioned and rehooped. Project will be finished at 16" or 17". Applique design is included in fee. Want more experience with your Scan n Cut and more practice with a magnetic hoop?? This is your class!! Two Sessions; 3 hours first session & 5 hours for the second session. FEE: \$35.00 BONNIE
