Auto-digitizing, the Magic Wand and the Conversion Process

Floriani Total Control U

Friday, February 20

Digitizing from an image can be accomplished in several ways - using the Auto Digitizing Wizard, the Magic Wand or by the Conversion Process. Each method makes the digitizing process faster than manual digitizing and each have advantages and disadvantages. Using the same image, we will investigate the pros and cons of each of these three digitizing methods.

Class Supply List

- Laptop computer with battery pack/power cord.
- Please bring a mouse - this helps me help you!
- USB stick for loading designs and other.
- Please check the software version. Click on Help > About. Version should be 3984. This version was released in August of 2025.
