

# Brother Scan n Cut Embossed Picture Frame

**Saturday, June 26  
10:00am - 2:00pm**

Let's create an elegant embossed picture frame. This project is quick and simple. Great for gift giving, to keep for yourself or use for table decor for graduation/bridal showers etc.

## Class Supply List

- Embossing Starter Kit
- Tools for weeding, spatula, smoothing etc
- Paper/cardstock-1 kind (this is the back of frame and stand so pick a color that you want showing on back of frame. *Cardstock thickness is 0.5 mm (0.02") to 0.6 mm (0.023") thickness- 1 kind.*
- Photo (approx. 9cm (3.54") x 13cm (5.12")).
- Qty 4- Corner brackets for a 2mm (0.08") thickness.
- Scrapbookers roller double sided tape
- High tack double sided tape
- Masking tape
- Adhesive-glue that will adhere to metal
- Scissors
- Craft knife
- Ruler
- Scrap piece of cloth about 5" x 5"

I will bring: clear plastic for everyone and pliers (unless you have some you want to bring).
