KIMBERBELL EMBROIDERY CLUB

MODERN PATCH WORK ZIPPER POUCH (19204) Funny thing about the word modern, as times change, so does its definition. From piecing scraps by hand with needle and thread to our present-day home embroidery machines, the modern sewing movement has had quite the evolution. The combination of a simple patchwork strip with contemporary techniques like quilting in-the-hoop, gives this zipper pouch a subtle sophistication in all four sizes. Just right for sewing notions, makeup, and other essentials, Kimberbell zipper pouches are fully lined with no raw edges or stabilizer showing. One Session; 4 hours CLASS FEE: \$25.00 BROOKE

SAGE OWL OVEN MITT (19226) There are two definitions for the word sage. One meaning wisdom and good judgment, as in sage advice. The other, a savory culinary herb popular in meat and poultry dishes. Take our advice and serve up a spicy dish for your family with these adorable owl oven mitts. In three sizes, for holding saucepan handles to a cast iron skillet, your fingers fit just inside the wings. We've stitched our owls with flannel and recommend a layer of insulated lining like Insul-Bright® , and batting for use as a hot pad or oven mitt. One Session; 6 hours CLASS FEE: \$25.00 BROOKE
