

## ***Embroidery Basics: Applique***

### **Supply List**

- Sewing/Embroidery Machine with embroidery and sewing feet and attachments.
- 5x7 or larger embroidery hoop. (sample was done with 8x8 hoop)
- Embroidery template, if available
- USB Flash Drive or other media for transferring embroidery designs

### **Fabrics and Notions needed:**

- Assorted scraps for appliques: 6x4" scrap for pot, 5x5" scrap for flower
- Embroidery thread: Match/contrast to fabrics. I used 4 colors: green (stem and lettering) pink (flower) blue (flowerpot) and yellow (flower center)
- 90/14 Embroidery needle
- Small, sharp scissors for trimming applique fabric
- Tear a way stabilizer
- Fabric Marker
- Purchased tote bag (at least 12x12) or, if you choose to make your own, ½ yard of lightweight denim, cotton twill, or duck.
- Rotary cutter and ruler
- Sewing thread to match fabric (if you are making a tote).
