AVENEER EV1 UPGRADE KIT

SAVREVUGK1

It's Time to Upgrade Your Aveneer EV1!

The Aveneer EV1 Upgrade Kit from Brother adds new features to enhance your sewing and embroidery experience. From the carbon fiber-infused plastic EV1 Magnetic Hoop to a variety of creative embroidery designs, The Aveneer EV1 Upgrade Kit from Brother is perfect for anyone who bought an EV1 and wants to access the latest features. Explore all this and more today with the Aveneer EV1 Upgrade Kit.

Large Magnetic Hoop

The carbon fiber-infused plastic, black and gray EV1 Magnetic Hoop is 10 5/8" x 16" (W: 272mm x H: 408mm). This exclusive Aveneer series hoop features flat magnets, increased rigidity, and reduced weight.

Pattern Projection+

The Pattern Projection+ feature shines a 5" x 8" window of your embroidery design directly onto your fabric. As it traces the pattern, the frame and the projected area move together, always updating to show the current section being stitched.

Matrix Copy

The Matrix Copy enables you to duplicate and arrange multiple copies of the same design, creating distinctive, customized embroidery patterns.

Included Designs

Discover 22 Trapunto-Style Quilt Designs inspired by traditional Italian quilting. These designs are easily achieved, and unique effects are created through the My Design Center App.

Browse 35 Built-in Designs, including 13 Embroidery Designs, 5 Edge-to-Edge Designs, 10 French Knot Designs, and 7 Crochet Couching Designs.

Activation Card

Use the included UGK1 Activation Card with the printed code to install the upgrade on the machine.

Edge-to-Edge Quilt Feature

With easy-to-follow instructions and 5 patterns to choose from, this dynamic feature lets users finish their quilt top directly on the Aveneer EV1 – even with a 10" x 10" magnetic hoop! No need for a Long Arm! The bobbin now holds 10% more thread than previous models.
