

Ironing and Crafting Station

Why do we recommend this product?

The SINGER® Ironing and Crafting Station is the perfect solution for Quilters and Sewers with competition-leading innovative features for storage, fabric handling, and height adjustment to a cutting table.

Features:

- Unique 2-in-1 design converts from an ironing board to a cutting table
- Shaped to make fabric handling easier
- Innovative built-in tray for storage of items like cutting mats, rulers, scissors, measuring tapes and more
- Competition-leading large, stable pressing area to handle your biggest projects
- Iron rest made of heat resistant silicone that provides a safe non-slip resting area for your iron
- Iron rest attaches on either side of the ironing board
- Premium non-stick, scorch resistant cover with printed grid
- The multi-purpose easy measure grid is ideal for measuring and ironing precise seams
- Durable tube-frame double-wishbone legs
