Instructions:

Cut your square down to 9 1/2" X 9 1/2" from the Tan or Aged Muslin
Remember to keep wool 1/4" from edge

Cut out the wool shapes as directed. Appliqué wool to the fabric using your favorite method. I used a primitive stitch around all the wool and a stem stitch on the vines and leaf veins. We did little seed stitches in the strawberries. We did X's across the pot band.

Enjoy this early sweet taste of spring.
