

THREE VINYL POUCHES CLASS SUPPLY LIST

Mary Stipanovich 850-545-2586 sydais214@gmail.com.

All Vinyl is cut for each project and zippers with pulls are included.

Some color variations may differ from the store samples.

You will need to bring:

Sewing machine in good working condition with tray and a knee lift if you have one.

Presser Feet - 1/4" foot, zipper foot, a teflon foot and walking foot if you have one

For successful sewing on vinyl it is very important that you have a teflon foot, or a non-stick foot, or a roller foot.

Thread - use 100 percent polyester thread - Mettler 40 wt polyester or the Isacord #40 embroidery thread found at Bernina

For the top thread have an assortment of colors: light blue, light purple, light pink, aqua, violet, black

For your bobbin choose a neutral color (off white or light gray color)

Machine Needles - 80/12, 90/14 (universal or top stitch)

Look for a vinyl needle or non stick needle - check with Bernina for

Schmetz Super Universal Non Stick Home Machine Needles - size 12 or 14.

Helpful to have an assortment of needles to choose from

Double sided adhesive tape - 1/8" wide ByAnnie - find it at Bernina

Pencil, Marking pen

Wonder clips and Stiletto

Scissors and snips

Silicone mat or teflon pressing mat - helpful to have on the bed of your machine to prevent vinyl sticking - Or use large post it pad or tissue paper

I'll have the following items to use but feel free to include it with your supplies.

A small rubber mallet and a seam roller to help flatten seams

Painter's tape

Lighter to seal zipper tape edge

Hair dryer to soften vinyl for turning

I will also have an assortment of thread colors

Class registration policy: All classes must be paid for at the time of registration. If a class is canceled due to a lack of minimum enrollment, the class fee will be refunded. Any cancellation must be made at least 72 hours in advance to receive a refund. Teachers need time to prepare class handouts and supplies. Please register early as possible to ensure your place and to avoid disappointment.

Please have working knowledge of your machine as the educator will not have time to instruct on the use of your machine.
