

## FABRIC GIFT BAGS SUPPLY LIST

Instructor: Mary Stipanovich

No patterns are needed.

Written instructions for each project will be provided in class.

### **Fabric:**

Choose 100% cotton for main, lining and contrast fabrics.

See below for fabric and interfacing requirements for each project.

### **Interfacing:**

The type of interfacing you need will depend on the project you are sewing.

Some projects do not use interfacing.

Medium to heavy weight interfacing. - I like to use WovenFuse (medium weight) and WovenFuse 2 (heavier weight).

WovenFuse is a woven, fusible, cotton interfacing that keeps a drape-like cloth, whereas nonwoven interfacings are actually paper. It is comparable to ShapeFlex, only better. WovenFuse 2 has more body and is denser.

Find at [www.gotinterfacing.com](http://www.gotinterfacing.com)

NOTE: I will have WovenFuse interfacing available - \$7 for one yard.

You could use ShapeFlex - Pellon SF101, which is a cotton, woven lighter weight interfacing. Two layers may be needed. Get 3 yards

For comparison, ShapeFlex is 20" wide and WovenFuse is 45" wide.

### Fusible fleece interfacing.

I like to use a Pellon product - Thermolam, TP971 Fusible

The Fold Over Bag with Ties requires fusible fleece. If you make all 3 sizes you will need 1 yard.

### Heat resistant polyester batting.

Use Insul-Bright. This is needed if you plan to make the Jiffy Casserole Cover.

You will need 3/4 yard.

### Other Supplies Needed:

Point turner - My favorite is RNK Turning Tool

Rulers - 3-1/2" or 4-1/2" square, and a large square ruler is helpful.

Marking pens, straight pins and wonder clips

Bodkin - I like Clover Clip 'n Glide or use a safety pin

Rotary cutter, scissors, and other miscellaneous sewing supplies

**Class registration policy:** All classes must be paid for at the time of registration. If a class is canceled due to a lack of minimum enrollment, the class fee will be refunded. Any cancellation must be made at least 72 hours in advance to receive a refund. Teachers need time to prepare class handouts and supplies. Please register early as possible to ensure your place and to avoid disappointment. Please have working knowledge of your machine as the educator may not have time to instruct on the use of your machine.
