

**CLASS SUPPLY LIST**  
**iCases 2.0 - ByAnnie.com**

**Class registration policy:** All classes must be paid for at the time of registration. If a class is canceled due to a lack of minimum enrollment, the class fee will be refunded. Any cancellation must be made at least 72 hours in advance to receive a refund. Teachers need time to prepare class handouts and supplies. Please register early as possible to ensure your place and to avoid disappointment. Please have working knowledge of your machine as the educator will not have time to instruct on the use of your machine.

**Pattern: ByAnnie.com -iCases 2.0**

**Choose your size: small, medium, large, extra large**

The back of the pattern gives you dimensions of each size and the size of device that case will hold.

**Use cotton fabrics:** Select fabric for the exterior (main), the lining (interior) and a contrast fabric for the border and bindings

**See back of pattern below for the yardage needed.**

**ByAnnie Soft and Stable - see back of pattern for amount needed**

**Fusible Interfacing:** - 1/4 yard - Pellon Shape Flex

**Zipper and Hook and Loop Tape:** I am providing the zipper and the hook and loop tape (velcro). Send me a photo of your fabrics so I can match colors of zipper and velcro. This is included in the price of the class.

**Bring all essential sewing supplies, and especially include:**

90-14 top stitch needle and thread to match fabrics

Zipper Foot, Walking Foot, 1/4" foot

Stiletto (I like ByAnnie's stiletto)

Removable marking pens or Clover chalk pens

Wonder clips

Rotary cutter, small rulers

Double sided tape - ByAnnie basting tape 1/8" wide

**I will bring circular rulers for the project.**

### **Prior to Class Cut Fabric**

See page two of the pattern for cutting chart.

Note: dimensions are height x width

**Pattern is designed to make the cases without quilting.**

Just follow the cutting chart for the size you are making. Notice that the cutting is the same for the main fabric and the lining fabric. The soft and stable pieces are cut larger by about an inch.

**If you prefer the quilted look:**

Cut main and lining pieces at least 2" taller and 2" wider. Soft and Stable is also cut larger. Quilt the pieces, then cut the quilted pieces for the size you have chosen. Cutting chart on page 2 of the pattern.

**From Coordinating Fabric:**

Cut the border and the back pocket binding. Wait to cut the bias binding.

**Good idea to make a copy of Template A provided in the pattern.**

Check your printing settings. Print at 100%.
