

CLASS SUPPLY LIST

Kit to Sew a Waterproof Canvas Tote

For all skill levels

Sew a heavy duty waterproof canvas tote that will last for years. Strong stabilized handles, a generous inside pocket and a zipper pocket, with a strong durable utility construction of french seams, makes sure this bag will last.

The Kit will include:

Waterproof canvas fabric all cut and prepped for sewing a large tote.

Zipper and zipper pull

Your choice of webbing or faux leather for grab or shoulder length handles.

Rivets

Even thread is being provided.

You are offered options to add a magnetic snap and/or side D rings for a shoulder strap.

The color of the waterproof canvas fabric will vary.

We will be making the large size. - 19" x 15". You just come and sew.

Please purchase the pattern. The pattern comes in small and large sizes.

You do not need to print the pattern pieces. You may want to print the instructions, but that is not necessary to do for the class.

Supplies:

Bring your machine - include your table, knee lift and a bobbin.

Needle: 90/14 topstitch

Wonder clips, a turning tool. A seam roller and a wood tailor block is helpful.

Presser feet: Zipper foot, teflon foot, general all purpose foot

Scissor, snips

Class registration policy: All classes must be paid for at the time of registration. If a class is cancelled due to a lack of minimum enrollment, the class fee will be refunded. Any cancellation must be made at least 72 hours in advance to receive a refund. Teachers need time to prepare class handouts and supplies. Please register early as possible to ensure your place and to avoid disappointment. Please have working knowledge of your machine as the educator will not have time to instruct on the use of your machine.
