

## Block Buster Supply List

We will be using Deb Tucker's Studio 180 tools for a different block each month. The instructions you need to make these blocks are included with your Studio 180 tools. Don't forget to bring both the tool and the instructions. These classes will help you to be able to use the tools for all your quilt projects.

- Studio 180 lesson tools with included directions
- Sewing machine in good working order
- Cotton thread in a neutral color for piecing
- Seam ripper
- Small scissors
- Rotary Cutter
- Mat
- Coordinating fat quarters of different values
