

My BERNINA Classes

Class #1

Saturday, September 12-10:30am

or

Thursday, September 17-10:30am

Class #2

Saturday, September 19-10:30am

or

Thursday, September 24-10:30am

These classes are for new BERNINA owners.

If you purchased your machine from BMS, then the classes are at no charge. If you purchased your machine elsewhere, then the classes are \$25/hour or you can ask about our Adoption Fee.

We will limit these classes to **4 people** so that we can practice good social distancing. Please, if you have taken the My BERNINA Classes already and would like a refresher course, leave these classes for those who haven't had their classes yet as they have been waiting a LONG time!

What to bring!

Please bring your sewing **machine** and the accessory box with **all accessories**, your **slide on work table**, your **FHS** (presser foot lifter), your **instruction book**, a **notebook** and **pencil** to take notes. You are able to download your workbook from the home page of www.berninainstreet.com

Print pages before coming to class.

Wearing a mask is up to you, but be advised I will be asking you to lower your mask if you need to talk to me because of my hearing, or lack of it! I am a hands-on teacher so I might be standing close to you or asking you to use your machine for a technique demonstration. If that makes you feel uncomfortable, you just need to tell me. Your table will be sanitized before class. Call or email to register for this class. **We provide all thread, fabric and a new needle for you.** When the classes fill up we will put you on the next class. We will see how this goes!

The BERNINA Zig Zag foot w/Non-Stick Soles are the Accessory of the month for September 2020! These feet work like a breeze on fabrics and trims that stick. You could make a clear face shield to help you out during the pandemic. It would help me out, too. If I can't see your lips, I can't hear you. Yikes!

Thought and Scripture for the day:

The God who gives life to the dead and calls things that are not as though they were.
