

**2026 Asheville Cotton Co. Customer Quilt Show Rules:**

- 1) There are no size restrictions, but please understand that we may need to fold your quilt or otherwise hide part of it if we need more space. If seeing the whole quilt is important to you, you may wish to include a photograph of the full quilt that we will hang with it. By entering the show, you give permission for anyone to take photographs of your quilt.
  
- 2) If you don't want your quilt hung with thumbtacks, please sew a strip of fabric or a hanging sleeve along the top edge of the back of the quilt so that we may put thumbtacks through this. **Please leave it loose enough to pin through**, as we do not have bars to run through the sleeve. Alternatively, multiple loops along the top of the back of the quilt are a great option. A piece of paper will be safety-pinned to the back of your quilt with your name on it. If this is a problem, make sure you have a quilt label attached with your name on it and let us know.
  
- 3) Although we will do our very best to keep your quilt safe and clean, we cannot be responsible for damage, loss or theft of your quilt. By entering your quilt into the show, you are agreeing that we are not responsible for any damage, loss or theft.
  
- 4) One entry per person. **We will be taking entries Feb 1st through March 21st. Quilts will hang in our store from March 31st through April 18th.** Please pick up your quilts between April 21st and 25th. If you need to pick it up later, that is no problem at all, and will be stored folded in a back room closet.
  
- 5) Voters will vote by donating money to quilts. All money donated will go to the MANNA Food Bank. The quilts that earn the most money will win prizes. There will be no official judging of the quilts, just "Viewers' Choice." There will also be other prizes determined by both free votes and donations. Donations may be made by calling in with a credit card number, but **free votes may not be called in.**
  
- 6) You are encouraged to vote for your own quilt, and are encouraged to send friends and family to vote with their donations (which might help you win!) The quiltmaker's name will not be visible, but we will have a list so that your friends may vote for you. Or, you can collect money from friends and family and bring it yourself.
  
- 7) Asheville Cotton Co. reserves the right to add to or change the rules at any time.
