

## Quilt Along 2020 FAQs

1. The Quilt Along runs from Jan 29th until April 22nd. There are 6 block posts and a setting post. Each block pattern and the setting pattern will be available for \$3.00 each. Once a block has been released, it will stay available until May 13, 2020. (see item #4).
2. If you would prefer to purchase all the blocks and the setting at once, the full PDF pattern will be available starting Jan 29th for \$24.00. It will be available thru May 13, 2020. (see #4).
3. Patterns will be available on both tamarinis.com and seamslikadream.shop during the Quilt Along. For international customers, the patterns will be available in our ETSY shops.
4. The last day to be able to purchase the blocks and the setting as individual patterns or the full PDF pattern is May 13, 2020. After that date, the patterns will only be available as a full paper pattern for \$28.00.
5. Each date that a block is scheduled to be available, we will each do a blog post. One post will include tips and tricks for that block. We will alternate posts.
6. If you want to be alerted to when each block is available, you can sign up for our Adventure in Color newsletter. You can find the form on our websites. It will go out each Wednesday morning when a new block is posted with a reminder and a link to that day's blog posts.
