Kelly Harvey

Sewing Toys and Tools -This class will show you sewing toys and tools that are practical and fun. Remember we never have too many "screwdrivers" in our toolbox

TShirt Quilts Tips & Tricks -Kelly was first drawn to quilting when she was making her Quilt from T-shirt's her mom had saved since Kindergarten! Come learn how to make a priceless heirloom for you or someone you love.

Kim Caywood

Machine Embroidery Stabilizer -Learn about machine embroidery stabilizers and which one to use for your project. We will also look at different types of machine embroidery including free standing lace and in-the-hoop projects.

Embroidery Placement -From adult and children's wear to household items, see how easy it is to achieve proper placement for your machine embroidery designs.

Martha Dakin

Jelly Roll Rug -Do you love the look of antique rugs? Or perhaps you have a jelly roll that you love, but just can't seem to find the right pattern for? I have a project for you! Take a jelly roll, add a yard of batting, some fun thread and voila', a Jelly Roll Rug!

Warm Winter Wishes -In the midst of a winter's chill, find comfort in the joy of a warm mug of cocoa, the company of friends and the knowledge that no winter lasts forever. Join me as we look at some of Janine Babisch's seasonal embroidery designs.

Ruthie Woolcutt

Tips and Tricks of Applique -Join Ruthie as she shares tips and tricks of applique that help her conquer those detailed patterns. Learn how to relax and enjoy the process!

School House

Saturday, September 1, 2018
9:15am - 3:45pm
Midstate College
411 W. Northmoor Road
Peoria, IL 61614

Come spend the day learning about new techniques, tools, patterns and the latest and greatest notions. Arrive early (between 8:45 and 9:15 am) and start the day with coffee and breakfast pastries while you plan which classes to take. There are many sessions to choose from each lasting about 25 minutes. There will not be time to attend all sessions though so bring a friend or two to cover them all. You will get all the handouts from all the sessions, even the ones you cannot attend.

No need to bring anything - we provide it all, including lunch and bottled water! Seating is limited so call soon! Your spot is reserved with your payment of \$55 which includes EVERYTHING!!!

Come join the fun!!!

Read more for the line-up of sessions we have planned.

Cyndy Monier

Serged Scarf -Learn how easy it is to create a designer scarf without the designer price tag. Simple serger techniques make it easy. Great gift idea!

Tips & Tricks for Tshirt making on a serger -Take the basic t-shirt to the next level using a few basic, easy to learn serger techniques. Seriously easy-peasy high end looks that anyone can accomplish.

Deb Dvorak

Cuddle Bean Bag -Do you know a youngster who's bed is hidden underneath a mountain of stuffed toys? With a couple yards of cuddle, a zipper and a bit of time, you can make a comfy, adorable place for those animals to "hide" that doubles as a cozy bean bag! Join Deb to find out more!

Sew Kind of Wonderful -Sew Kind of Wonderful helps you make beautiful, curved block quilts easily with their Quick Curve rulers and patterns! Come join Deb for a mini trunk show and short ruler demo (there may be some hands-on!)

Diane Swope

Strip Club -Ok, Ladies it's not that kind of strip club so you can leave your dollar bills at home. We do think you will find this fun all the same though! Come see samples of some of the patterns and the rulers that can be used to make them.

Georjean Lipovsky

Sweet 'n Sassy Rhombus Template-This set of three nested rhombus shapes is strip and scrap friendly. Let Georjean show you how fast and fun using these templates can be resulting in lovely quilts that make the adage 'work smarter, not harder' a snap!

Georjean Lipovsky, continued

Quilt Trim & Circle Ruler -This utility ruler works for any block/pattern using 45* angles. Georjean demos how easy it is to make flying geese, $\frac{1}{2}$ square triangles, snow-ball blocks, join binding strips and miter corners all without marking, just trimming before you sew! Even draw circles! Come see how useful this tool is!

Flip & Fuse Applique Method -Cheat your way to fool-proof applique! Join Georjean as she shows you a simple and accurate technique where your applique edges are turned under and finished without painstaking needle-work by hand. Transform the way you applique!

Quilt As You Go the Jera Brandvig Way -A simple approach to piecing and quilting! This technique is great for anyone with busy schedules allowing you to use a pattern or improvise, creating a wide variety of design options and easily finishing quilts on your domestic machine with quilt as you go. Quilting will be easier than ever with this popular method. Fun and done!

Isabelle Donnelly

Corner Pop from Deb Tucker -Join Isy as she demonstrates a tool and technique that will give you high success adding fabric corners to basic shapes. No more hoping for the best, with this tool get it right on all your corners!

Joyce Grant

Stash Buster -Are you overwhelmed with guilt when you look at the piles of fabric you purchased but have never used? You can be freed from stash guilt with Joyce's ideas for easy Stash busters.

Joyce Grant and Kelly Harvey

Long Arm - How to Prepare for Quilting -Did you know you can influence the quality of the long arm quilting from your long-armer? Joyce and Kelly will share tips and tricks for your quilt top to be "long arm ready". You'll be even happier with the quilting results.
