*Don't forget to ask about our **Complete Maintenance Program (CMP)**! A CMP provides a bumper-to-bumper warranty platform to protect your new investment, and easily keep your sewing machine in top working condition, without worry. CMPs are available for most all mid-range and top-of-the-line machines, and are available for purchase within 90-days of your new machine purchase.*

**MACHINE OWNERS... All owner's classes are
FREE with machine purchase at ASC!**

When you buy your new machine from Aurora Sewing Center, another benefit we offer is that your purchase and investment comes with lifetime **FREE** machine owner's classes.

We encourage all new owners to sign-up right-away so you can learn all you can about your new machine and maximize its features. You are invited to take these classes as many times as you need as long as you own your machine!

TIPS for OWNER'S CLASSES

FOR NEW MACHINE OWNER CLASSES – PRIOR TO CLASS;

- When you bring home your new investment, open the box and get familiar with your new machine.
- Review the manual and all the components.
- Try out your new machine.
- Write down questions you may have.

The more self-experience you gain prior to class, the more you will learn in class and take back home with you.

OTHER TIPS THE DAY OF CLASS;

- Bring your machine with all its accessories including, various feet, foot control, power cord and user's manual. Getting familiar with your own machine is important.
- Arrive 10 to 15 minutes prior to the scheduled class start time to get set up and be ready to start on time. If you will not be making the class, please call in advance to reschedule. This creates room for others that may be on a waiting list.
- Be prepared to take notes. Bring yourself note pad and pen. We cover a lot of information in the class and writing down important class tips class will help you when you sew at home.
- Come ready with questions and ready to learn lots!
