

## **BERNINA Stitch Regulator (BSR)**

The BERNINA Stitch Regulator (BSR) produces neat, consistent stitching with stitches of precisely the same length while free-motion sewing.

Reacting to the movement of the fabric, it adjusts the speed of the machine automatically when free-motion quilting with the feed dog lowered. The BERNINA Stitch Regulator (BSR) can sew both straight- and zigzag stitches. It is superbly suited to ambitious professional-level sewing projects such as free-motion quilting on all fabrics.

Enjoy free-motion sewing ease with the BERNINA Stitch Regulator (BSR) – your specialist for absolutely consistent stitching.

**Note:**

Not all models and accessories are available in all countries. We reserve the right to make changes in both features and design.
