

Border Embroidery Set

Embellish your fabrics and sewing projects with a wide range of attractive borders, using the BERNINA Border Embroidery Set.

Patterns

Patterns for round, oval, and rectangular borders. Borders lend a distinctive individual touch to fashion, accessories, and home-décor projects, making them prettier, fancier, and more sophisticated.

Embroidering tablecloths

Embroider tablecloths, runners and napkins with the help of instructions and templates. Embellish sleeves or lapels with an interesting facing. With the border calculation software, every border turns out perfect!

Caps and scarves

The border calculation software lets you accurately calculate the number of pattern repeats and the placement of the motifs for your individual fabric dimensions – making embroidering borders simpler and a surefire success.

All patterns at a glance

The Border Embroidery Set is available with and without the Mega Hoop.
