

Begin cutting fabric & labeling: Using clips/pins as you go! This is **ESSENTIAL** to maintaining order and sanity!! There are a **lot** of similar sized pieces!

The brightly colored shapes below are your cutting instructions! Cut apart and label as you cut. Clip together and save with your pattern when you are finished!

I like to have several Buckets in various stages at any given time so: **You may re-print this sheet by going to the QUILTSILLUSTRATED.COM website. Always check pattern corrections page too!**
