

Begin cutting fabric & labeling: Using clips/pins as you go! This is **ESSENTIAL** to maintaining order and sanity!! There are some similar sized pieces!

The brightly colored shapes below are your cutting instructions! Cut apart and then label as you cut. I like to have several Portfolio Totes going in various stages at any given time so: **You may reprint this sheet by going to the QUILTSILLUSTRATED.COM website. Always check pattern corrections page. WITHIN EACH FABRIC GROUP, (A, B, OR C) CUT LARGEST PIECES FIRST!**
